**2010-11 Reflections Program Theme: "Together we can."**

PTA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual arts Reflections Program. The program offers students the opportunity to create works of art for fun and recognition. Students in preschool through grade 12 are encouraged to create and submit works of art in six areas: dance choreography, film production, literature, musical composition, photography, and the visual arts (which includes art forms such as drawing, painting, print making, and collage). For nearly 40 years, the program has encouraged millions of students across the nation and in American schools overseas to create works of art. The Reflections Program was started in 1969 by then Colorado PTA President Mary Lou Anderson.

Students participate in the Reflections Program by submitting entries to their local PTA or PTSA. Any PTA/PTSA in good standing is eligible to sponsor a Reflections Program.

Rules and deadlines are not the same for all PTAs. Contact your state PTA for specific guidelines.

- Destination Imagination** – We need people to help organize a team to put together their project.

Destination ImagiNation, Inc. is an extraordinary non-profit organization that provides educational programs for students to learn and experience creativity, teamwork and problem solving. Every year, we reach 100,000 students

across the U.S. and in more than 30 countries. Destination ImagiNation, our core program, is an exhilarating after-school activity in which students work in teams to solve mind-bending Challenges and present their solutions at Tournaments. Teams are tested to think on their feet, work together, and devise original solutions that satisfy the requirements of the Challenges. Participants gain more than just basic knowledge and skills - they learn to unleash their imaginations and take unique approaches to problem solving.
